TENTANG KITA ORGANISASI PROGRAM DOKUMEN FORUM GALERI

Kabar Gembira!

KNCV mengucapkan selamat kepada Kementerian Kesehatan Republik Indonesia dan tim penulis *Concept Note* atas kerja kerasnya sehingga berhasil meluncurkan dana hibah sebesar US \$ 132,2 Juta ditambah US \$ 27 Juta dari The Global Fund untuk mencapai target yang lebih ambisius (pendanaan insentif) dalam mendukung pelaksanaan program TB/HIV periode Januari 2016 – 31 Desember 2017.

Sejak Desember 2014, *Concept Note* kolaborasi TB/HIV telah dikembangkan oleh CCRI Indonesia yang didukung tim yang terdiri dari Kementerian Kesehatan Indonesia, UIC dari Challenge TB (KNCV, WHO, FHI dan MSI), LGM dan beberapa kontraktor asing. Technical Review Panel of Global Fund di Geneva mempersembahkan bahwa proposal tersebut kuat secara teknis dan memiliki fokus yang strategis dan terintegrasi dengan baik terkait program pengendalian TB dan HIV.
